

RECRUITMENT INTERIM

Providing the right recruitment professional from our team.

WHEN YOU IDENTIFY THE NEED FOR MORE DEDICATED SUPPORT, WE CAN PROVIDE YOU WITH THE RIGHT RESOURCE FROM OUR TEAM.

THE APPROACH:

We understand businesses can't always justify additional headcount and our interim service offers a flexible solution for seasonal and cyclical variations. We can provide the extra support you need when you need it.

The demand for strong recruiters in the marketplace is high. Hunter Adams offers some of the market's leading sourcing professionals. We don't just employ our sourcing experts, we support, develop and manage them, helping them deliver to the highest level and ensuring that we attract the best people.

THE EXPERTISE:

Our Director of Sourcing oversees the interim recruitment service, ensuring quality control. We have a range of sourcing professionals at all levels of seniority. All of our experts provide an instinctive and credible recruitment service, with an impressive array of experience in handling multiple vacancies, filling niche technical and commercial positions, delivering analysis, market mapping and benchmarking. Our bespoke recruitment interim service can have a significant impact on your bottom line, delivering substantial direct costs savings for you gained through various methods. We can reduce your agency

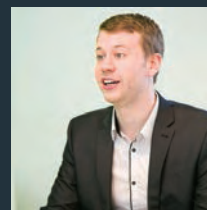

spend, enhance your employer brand, and implement an effective direct sourcing model.

TYPICAL ASSIGNMENTS:

- Global oil and gas operator – Sourcing Professional
- Global telecommunications company – Sourcing Professional
- Global oil and gas services company – Regional Resourcing Manager
- Global marine company – Sourcing Professional
- Global drilling services company – Head of Resourcing

THE RESULT:

We can assist with high volume recruitment, challenging vacancies and executive headhunting. We can construct assessment centres and deliver recruitment campaigns for both large and small businesses. We can provide you with a single recruitment professional or a team of dedicated in-house recruiters who will look and feel like a member of your organisation, working with your systems and processes and promoting your organisation. Ultimately, our service offers a solution to the continued challenges within your own firm's recruitment function.

“In looking to improve our recruitment strategy at Bureau Veritas we researched the market and Hunter Adams was recommended from many sources. We used Hunter Adams’ services to improve our strategy, including raising our brand name and profile via social media and radio. The result for Bureau Veritas has been phenomenal. Our reliance on the use of agencies has dropped and our direct hire success has been outstanding. I highly recommend the Hunter Adams team. They are professional, proactive and knowledgeable consultants who have exceeded our expectations.”
